

COLMAN CREATIVE ACADEMY PROUDLY PRESENTS

Out of the Darkness

SATURDAY 23RD - SUNDAY 24TH JULY 2022

Dear

We are so excited that the show is only a half term away and we hope you are excited too! We just wanted to send some further show information regarding costumes, arrival and collection times etc in order to help you prepare.

Please note a FULL preparation document will be sent out on Week 3 of next term (24-27th June) with full details for dress rehearsal, show, pick up and drop off locations, hair and make up descriptions etc.

As we come in to the last term it is extremely important that students attend all classes. In these sessions we will be:

- Trying on costumes
- Polishing choreography and potentially changing sections students are finding challenging
- Learning the bows and choreography for final piece of the show
- Understanding tech, dress and shows and running rehearsals of this
- Finishing off any pieces which haven't been finished this term

As one of our costume companies delivers their costumes the week before the show it is essential all students are able to attend this week as this will be the only time students are able to try their costumes on.

We have included a show weekend schedule, we do not expect to change our schedule however please be prepared for slight alterations to timings if necessary.

We have included a costume document and highlighted your child's pieces. All purple items will be provided by Colman Creative Academy, items highlighted in green are to be provided by the student and brought to the theatre for the show.

Please take a look at the show checklist to ensure you have everything you need for a smooth experience.

Only authorised adults will be allowed to collect students from the rehearsals or shows. Both emergency contacts for each child is listed as an authorised adult. If you would like anyone else adding to this list then please get in touch ASAP so we can add this to their performance files.

Don't forget our Show Parent Page is available at www.colmancreative.co.uk/2022production (Password is CCA2022) to view any important details about the show. Make up tutorials, costume lists, rehearsal schedules and more will be uploaded over the next couple of weeks.

If you have not yet purchased your show tickets please visit www.trybooking.co.uk/BLEP to book. Tickets will not be available on the door. All show merch including show DVD, programme, t-shirts, keyrings, mugs, notebooks and more are also available to purchase at the above link. Merch will be unavailable to buy at the theatre and preordered items will be ready for collection.

Not long to go! We can't wait to see you from the spotlight.
